Day 1: Swahili Beach Resort - Diani Beach

Diani Beach

Famous for its gorgeous palm trees and powder white sand, lapped by glistening azure waters, Diani Beach is a popular resort area resting on Kenya's magnificent Indian Ocean shoreline. The areas wonderfully warm waters and exquisite coral reefs provide an ideal environment for an array of exhilarating water-based activities including snorkelling, scuba diving and boat safaris - where you can witness the richly diverse marine-life, for which the Southern Coast of Kenya is known for. You are likely to see turtles, mantas and barracudas. If you are lucky, you may even encounter the elusive and exceptionally large whale shark. Don't miss: the Colobus Conservation, which provides a sanctuary for an array of fascinating and endangered primates; the Shimba Hills National Reserve, which offers an exceptional and unforgettable safari experience; and the nearby Kisite Marine National Park that is close to the Tanzanian border.
